MEMORANDUM FOR THE RECORD

SUBJECT: Director's Conversation with Senator Stennis (D., Miss.)  
Re DDCI

The Director told me today of his conversation yesterday afternoon with Senator Stennis during which the above subject came up. Senator Stennis said that he did not plan to actively oppose the nomination of General Walters, but was quite annoyed with the way the White House had handled the matter and still would personally have preferred a civilian for this position.

JOHN M. MAURY
